

Email from Mr Maltby

22nd January 2021

Good afternoon,

I am keen to capture your views on our current remote learning provision and below is a link to a survey which will enable us to do this:

<https://www.surveymonkey.co.uk/r/62BVHTR>

This short survey will only take a few minutes of your time and I do encourage as many of you to respond as possible; it will remain open until noon on Monday so if you can't do this immediately, please do respond over the weekend if at all possible. Your feedback is always welcome and is important to us.

I am looking forward to our virtual Options Day for Year 9 students on Monday next week followed by the further opportunity for Year 9 parents /carers to meet with subject teachers online on Tuesday 26th January. I know how important the options process is for our Year 9 students and we are determined to ensure that, despite the circumstances, they all have access to the information needed to make the right choices for their future studies. This does mean that there will not be a live element to lessons on Tuesday afternoon to allow subject teachers to talk to Year 9 parents.

I am incredibly proud of how so many of our students are responding to their online learning at this time and I wish them and yourselves a peaceful weekend.

Tom Maltby
Headteacher
