20th January 2021

Dear Parent / Carer,

Year 9 Options Day

On Monday 25th January, Year 9 will take part in a special 'Options Day'; teachers will be running informative 20 minute sessions on their subject specialism in order to provide students with all the information they need to make their Options choices in February. Parents/carers will have an opportunity to ask follow-up questions to teachers the following day during our remote 'Parents' Afternoon'.

The sessions will be a mixture of videos and live sessions with teachers. A special Google Classroom has been set up for the day; students can join this by using the code: **a3zc3xx**. This code will also be shared on all English Classrooms.

The below timetable has been set up for the day; we have included 5 minute brain and body breaks for students and it is important that they get up and move around during these mini-breaks. Students can ask teachers questions using the streams or by emailing them directly afterwards.
