

Information about Higher Education – Degrees and Foundation Degrees:

Russell Group Informed Choices Guide – post 16 guide to A level choices and University courses by the top 20 UK Universities: <http://russellgroup.ac.uk/informed-choices/>

The Careers section on the **UCAS** website is very helpful when linking school subjects to career ideas: www.ucas.com/careers-advice

Choose the “finding a career” section.

UCAS: www.ucas.com/ - Use the search facility to find about degree courses, look at their content and any subject specific entry requirements. There are also many interesting articles to find out about university life, funding and accommodation.

Prospects – graduate careers information: <http://www.prospects.ac.uk/>

Look up **The Uni Guide** to find out more about how to choose A level subjects that will keep your options open:- www.theuniguide.co.uk/advice/a-level-choices
