## 1. Introduction

- 1.1 Holbrook Academy is committed to providing an education of the highest quality for all of its students. To ensure this, regular school attendance—and good punctuality will enable our students to take full advantage of the educational opportunities available within our school. High attainment depends on good attendance.
- 1.2 The whole school community – students, parents and carers, teaching and support staff and school governors – have an important role to play in encouraging and enabling our students to attend school so that they can achieve their full potential.
- 1.3 Parents are responsible for making sure that their children of compulsory school age receive a suitable full-time education. This can be by regular attendance at school, at alternative provision, or otherwise (home schooling). (Section 7 of the Education Act 1996)

## 2. Roles and Responsibilities

2.1 All staff (teaching and support) at Holbrook Academy actively promote and support excellent attendance and punctuality by providing a safe environment in which students are keen and eager to learn. Students should feel valued members of the community and look forward to attending school every day. Staff should also set a good example in matters relating to their own attendance and punctuality.

2.2 To promote and ensure excellent attendance and punctuality the Attendance Officers, Family Liaison Officer (FLO) and Deputy Headteacher (DHT), will meet weekly to ensure the Attendance Policy is consistently applied throughout the school. The Family Liaison Officer will also meet regularly with the Educational Welfare Officer (EWO) assigned to the school to address attendance issues by meeting with students, parents/carers and other outside agencies as appropriate. These people will share up to date attendance information and issues with both the Pastoral Team and Senior Leadership Team (SLT). The school community (teaching and support staff, students, parents & carers) will also be informed regularly of the school's current attendance data. The governing body will be informed of attendance figures via a report on a termly basis. These strategies will help to ensure that attendance issues are identified in the initial stages and support is implemented promptly.

### 2.3 Registration

- i) The school is required to mark the register twice a day; once at the start of the day and once during the afternoon session. Teachers are responsible for completing the attendance registers using the codes prescribed (see Appendix A).
- ii) The morning statutory registration time is **8:30am**. Registration will be closed at **9:00am**. The afternoon registration time is **1.05-1.15pm**.
- iii) Students who arrive late but before the register closes will be counted as present but will be coded as L for lateness and dealt with according to the Academy's Behaviour and Rewards Policy.
- iv) Any student arriving after the register has closed and has been 'sent' will be marked absent with code U, or with another absence code if that is more appropriate.

### 2.4 Categorising absence

- i) A mark will be made in respect of each student during registration. Any child not present at the time of registration will be marked as **N, reason for absence not yet provided**. Where a reason for an absence is given and accepted as legitimate by the school at a later stage, the register will be amended and the appropriate code inserted. The decision as to whether the absence is authorised/unauthorised rests ultimately with the headteacher.

- ii) If no explanation is received by the school following home contact, the absence will be recorded as unauthorised.
- iii) As a school, Holbrook Academy recognises that attendance has an impact on a child's attainment and also safeguarding. The school recognises that inappropriate authorisation of absence can be as damaging as unauthorised absence to a child's education and well-being; and potentially send a message to parents/carers that any reason for school non-attendance is acceptable, placing the child in a potentially vulnerable situation and at risk from harm. If absence is frequent or continuous without medical evidence, staff at Holbrook Academy will challenge parents/carers about their child's absence and offer support, if needed, to improve attendance. A note or explanation from home for a child's non-attendance will not always mean the absence is authorised. The decision to authorise an absence will always rest with the school.
- iv) Absence will be authorised in the following circumstances:
  - a) where leave of absence has been agreed in advance, eg:
    - A student is to participate in an approved performance in which a licence has been granted by the Local Authority;
    - A student is involved in an **exceptional** special occasion;
    - In **exceptional** circumstances permission is granted for a family holiday in which parents have sought permission in advance;
  - b) where the school is satisfied the student is too ill to attend;
  - c) where the student has a medical appointment (although parents are requested to make the appointments outside of school hours wherever possible, or return to school promptly after the consultation);
  - d) where there is an unavoidable cause for the absence which is beyond the family's control, eg extreme weather conditions.
  - e) the student is entitled to home-school travel and no transport has been arranged by the local authority;
  - f) the absence occurs on a day of religious observance by the religious body to which their parents or the student belongs;
  - g) The student is of no fixed abode, his/her parents are engaged in trade in which he/she travels, the student has attended school as often as the nature of the trade permits and, having reached the age of eleven, he/she has attended 200 sessions in the preceding twelve months;
  - h) In other exceptional circumstances (eg a family bereavement) and for a limited time.
- v) Except in the circumstances described above, absences will be unauthorised. Some examples of reasons for **not** authorising absence would be:
  - No explanation given by parent/carer;
  - Attendance is below 92% and, if requested, no medical evidence has been provided
  - The school is not satisfied by the explanation given;
  - The student is shopping during school hours;
  - The student is absent for unexceptional reasons, e.g. a birthday;
  - The student is absent for a family holiday without prior permission;

## 2.5 Approved Educational Activity

Where a student is engaged in an approved educational off-site activity, the school will check his/her attendance on a daily basis before entering the appropriate code in the register.

## 2.6 Class registers

In order to track students' whereabouts throughout the day, subject teachers will take a class register near to the beginning of a lesson to record absence and lateness. Any sudden absences can then be picked up and reasonable measures can be put in place to locate the student. Teachers alert the office and/or SLT of any 'AWOL' students and follow safeguarding procedure.

- To ensure parents have attended meetings with the school if their son/daughter's attendance has dropped below 90% and that strategies to support the family have been implemented and external agencies have been contacted if required;
- To provide a termly attendance update for the SLT & governing body
- To monitor punctuality to lessons and follow up any punctuality issues, ensuring parents are informed;
- To monitor and act upon any incidents where students are signing in at the office and not attending registration on a frequent basis for no valid reason.
- To praise individual students and form groups by rewarding high attenders in celebration assemblies.

### **Educational Welfare Officer**

- Liaise with the Family Liaison Officer concerning students and discuss course of action;

**Governors –**

To ensure that their functions relating to the conduct of the school are exercised with a view to safeguarding and promoting the welfare of children who are students at Holbrook Academy.

**4. Penalty Notices**

Suffolk's Education Attendance Service can issue Penalty Notices in the following situations where unauthorised absence occurs:-

4.1 A student has been identified as having unauthorised absence and a referral is made to the Education Attendance Service. The school will make a referral once 8 unauthorised absence marks have accrued.

The school will be following the Local Authority's guidance on this. If a referral is made for a Penalty Notice, this will result in a fine of £60 per parent/carer. If this is not paid before 21 days, the fine will increase to £120 per adult/carer for each child. Carer can be a step parent and/or carer.

## Appendix B – Parental Guidance

### A GUIDE FOR PARENTS/CARERS

#### 1. When does my child need to be in School?

Your child should be at school in good time for registration. The morning register will be called promptly at **8.30am** and the afternoon register at **1.05pm**.

#### 2. What happens if my child is late?

Registration closes at **9.00am** in the morning and **1.15pm** in the afternoon.

*Students who arrive late but before the register closes will be counted as present but will be coded as L for lateness and dealt with according to the Academy's Behaviour and Rewards Policy.*

*Any student arriving after the register has closed and has been 'sent' will be marked absent with code U, or with another absence code if that is more appropriate.*

Except in special circumstances -

If your child arrives after registration has been taken, without good reason, he/she will be marked late. Students who arrive after registration should report to the school office, and sign in. If a student is late, without good reason, on two or more occasions in a week, a member of staff, either the Form Tutor or Pastoral Support Manager may give a lunchtime detention.

#### 3. Does the School need letters explaining my child's absence or is a phone call acceptable?

We expect a parent/carer to send a message via the Schoolcomms or telephone the school on every day of absence. If you do not phone us, we will endeavour to phone you as soon as we can. If we cannot contact you we will send you a text message.

If we do not receive a response from the first priority contact details you have provided for your student we will telephone the other contacts you have provided in order to ensure that the whereabouts and safety of your child is known. If we are unable to make contact other agencies will be informed as appropriate. We will send a letter asking for confirmation of the reason for absence. A deadline will be set for your reply and the letter will inform you of this. If you fail to reply by this date or the explanation you give is unsatisfactory, we will not authorise the absence, and this will be shown on your child's end of year report. Any unauthorised absences will be shared with the Academy's EWO.

#### 4. What reasons will the school accept for absences?

- i. where leave of absence has been agreed in advance, eg:
  - A student is to participate in an approved performance in which a licence has been granted by the Local Authority;
  - A student is involved in an **exceptional** special occasion;
  - In **exceptional** circumstances permission is granted for a family holiday in which parents have sought permission in advance;
- ii. where the school is satisfied the student is too ill to attend and medical evidence is provided if requested;
- iii. where the student has a medical appointment and evidence is provided in advance (although parents are requested to make the appointments outside of school hours wherever possible, or return to school promptly after the consultation);
- iv. where there is an unavoidable cause for the absence which is beyond the family's control, eg extreme weather conditions.
- v. the student is entitled to home-school travel and no transport has been arranged by the local authority;
- vi. the absence occurs on a day of religious observance by the religious body to which their parents or the student belongs;

- vii. The student is of no fixed abode, his/her parents are engaged in trade in which he/she travels, the student has attended school as often as the nature of the trade permits and, having reached the age of eleven, he/she has attended 200 sessions in the preceding twelve months;
- viii. In other exceptional circumstances (eg a family bereavement) and **for a limited time**.

Except in the case of illness, you should ask for permission for your child to miss school well in advance, giving full details and appointment letters. In cases of recurring absences through illness you will be asked to produce a medical certificate.

### **5. What is unacceptable?**

The school will not authorise absence for day trips, visiting relatives, shopping, birthdays or looking after brothers or sisters, etc.

### **6. Will the School contact me if my child is absent?**

The school operates a first day response to absences: we will phone you if we have not heard from you. This is because we believe it is our responsibility to ensure your child's safety as well as their regular school attendance.

If we are concerned about aspects of your child's attendance or punctuality we will contact you by phone, text and/or letter to discuss the best way forward.

### **7. Can we take family holidays during term-time?**

The school strongly discourages parents/carers from taking their child out of school for a holiday.

Family holidays should be taken during school holidays. If, in exceptional circumstances, you need to request permission for your child to accompany you on an annual family holiday during term time, you should put your request in writing to the Headteacher, at least six weeks in advance clearly stating the reason why the holiday cannot be undertaken in school holiday time. Financial / economic reasons, availability of accommodation, ease of travel would not be considered acceptable reasons to grant leave of absence. If the request is due to the limited times a parent is able to take holiday from their place of work, then written evidence of this should be obtained from the employer.

The Headteacher has the right to refuse permission and absence for holidays will not normally be authorised unless:-

- The holiday is a single, annual, family holiday which cannot be taken in school holiday time.
- The number of school days missed by such a holiday will not exceed 4.
- The attendance of the child/children has exceeded 95% in the previous 12 months.
- The child/children will not miss major public exams eg GCSEs, or be absent during the important final preparation time for the examination.

If students miss work as a result of a holiday taken in term time, it is expected that responsibility for catching up on missed work lies with the child and parents/carers not their teachers.

Occasionally some students need to undertake an extended trip overseas. In this situation, parents should contact the Headteacher as soon as possible to discuss the arrangements.

### **8. What can I do to encourage my child to attend School?**

Make sure your child gets enough sleep and gets up in plenty of time each morning. Ensure that he/she leaves home in the correct clothes and properly equipped. Show your child, by your interest, that you value his/her education. Your child will bring home a school planner each evening. Please ensure you look at it with your child and sign it each week for tutorial time. Chat to him/her about school and ensure h/she feels happy and challenged and let us know if you feel they have stopped enjoying coming to school.

### **9. My child is trying to avoid coming to School. What should I do?**

Contact the Family Liaison Officer immediately and openly discuss your worries. Your child could be avoiding school for a number of reasons i.e difficulties with school work, bullying, friendship problems, family difficulties. It is important that we identify the reason for your child's reluctance to attend school

and work together to tackle the problem. We may involve other agencies to help and support you and your child.

In some cases you may find it helpful to discuss the circumstances of your child's difficulties with an Education Welfare Officer. The school may also refer you to an Education Welfare Officer who works with staff and families if difficulties with attendance arise. The Education Welfare Service is based at: Endeavour House, 8 Russell Road, Ipswich, IP1 2BX

## **Appendix C : A Guide for Students**

### **1. Attending regularly and on time**

Regular attendance will help you make the most of the opportunities here at Holbrook Academy. It will help you:

- keep up with your school work and get the best results you can;
- get a place at sixth form / college (we share details about your attendance as part of the transition process).
- get a job – employers like people who are reliable.

Remember, your attendance at school is very likely to be checked by a prospective employer and is on your school reports.

### **2. Absences**

Acceptable reasons for absences include:

- illness
- emergency dental / medical appointments (please make routine appointments after school or during the holidays)
- day of religious observance
- family bereavement
- attending an interview for a job, college, university, etc.
- selection for a national event/competition/training etc.

Looking after your brothers and sisters, birthdays, general trips such as shopping are NOT reasons to be absent from school.

You will also need a note from your parents/carers, a completed request for absence form or copy of appointment letters to explain ALL absences from school including arriving late. If you are unable to provide written evidence or the explanation is unsatisfactory, the absence will count as unauthorised and will be shown on your end of year report.

### **3. Need help?**

Problems with your school work? Are you being bullied? Are your friends giving you a hard time? Are things difficult at school? Are things difficult at home?

You may feel that missing school is the answer. It is not – it may even make things worse. TALK TO SOMEONE – your Form Tutor, Behaviour Manager, the School Nurse, another member of staff, your parents/carers. We can also organise time with the counsellor or a mentor.

We can only help you if we know there is a problem so talk to us and we will be able to help and support you.
