

Meet the Year 7 Form Tutor Team!

Mr S Kerry

Hello Year 7! My name is Mr Kerry and I am very much looking forward to meeting you all in September. I am a Science teacher and I have worked at Holbrook for 2 years now. I love science, especially anything to do with animals and nature, so I will always want to hear any interesting facts you find out! Outside of school I enjoy running, watching football, gaming and I'm a bit of a movie nerd. I know you may be nervous to come to a new school but we can't wait to welcome you into our community and I am sure you will settle in quickly.

Mr S Edwards

Hello Year 7, I would like to introduce myself to you as your new form tutor, Mr Edwards. I have been teaching for twenty five years and have taught chemistry at Holbrook for four years. I love doing science practicals with my students, especially experiments with Bunsen burners. If you have an older brother or sister at Holbrook Academy they may have told you about some of these experiments or something about me. Outside of school I enjoy cycling and support Ipswich Town. I have already heard great things about you and am really looking forward to meeting you in September.

Mr C Moore

Hello 7 Stour, I am very much looking forward to being your form tutor and meeting you all in September. I am the Head of Science at Holbrook and have taught here for 4 years. I live just north of Colchester and have a son and a daughter who keep me very busy. I play squash and have been teaching for over 20 years. I fully appreciate that you may be feeling anxious and excited at the same time about leaving your primary schools but you will settle in fast and I am sure you will love it!

Mr S Daniels

Hello Year 7, I am Mr Daniels and I teach maths. I have worked at seven different schools and Holbrook is my favourite! I have been here for about two years. When I am not in school I like walking, hunting wild mushrooms (in the autumn) and gardening. In my garden I grow, amongst other things, very, very, very hot chillies and gourds which I sometimes make into musical instruments. I know that we are going to be the best form ever and I look forward to meeting you.

Mrs K Cook
(Monday, Tuesday)

Hi 7 Orwell, we are your form tutors and look forward to meeting you all. We have worked together with a tutor group before and are a good team.

I am Mrs Cook and I teach Maths. I have worked at Holbrook for 4 years now; I absolutely love it and I know you will too! I have two young children aged 5 and 7 who go to a local primary school, who will also come here one day. Outside of school I enjoy walking, cycling, reading and catching up with friends.

I very much look forward to getting to know you and helping you settle into life at secondary school.

Mrs A Caston
Cook
(Wednesday - Friday)

I am your other form tutor, Mrs Caston Cook, I have worked here for 7 years now and look forward to getting to know you as you start your journey with us. I am the Head of Art and I also teach mindfulness, and hope to bring both of these skills to you in tutor time. In my own time, I enjoy reading, running and sewing my own clothes. I have a little dog called Idgie, who you will see a picture of in my room. If you have a pet I hope you will bring in a photograph of them to add to the wall too.
