

Message from Mr Maltby

16th September 2021

Good afternoon,

Alongside the important messages in my communication earlier this week regarding Covid-19, I do also want to use this further opportunity to encourage you to visit our school website. The Holbrook Academy website includes:

- An overview of our values and aims, including our whole school curriculum intents
- Our updated Academy Improvement Plan
- An overview of our curriculum maps for all subjects
- Our equality policy with updated action plan
- An overview of academic outcomes
- Our updated Covid-19 Risk Assessment and outbreak plan
- Our Special Education Needs policy
- Our Child Protection and Safeguarding policy
- An overview of our spending for pupil premium cohort and our use of additional catch-up funding
- Our Rewards and Behaviour policy
- Details of what to do if you wish to make a complaint
- Additional signposting resources on safeguarding, mental health and e-safety
- Details of our Holbrook Academy's alumni
- Details of our Trust governance

I would also like to begin the new academic year by requesting that if you are interested in joining our Governing Body, you contact us using the following email:- sarah.beazley@holbrookacademy.org We would be delighted to hear from you. If you would just like to find out more about this role then do please still contact us using this email address and we will facilitate a conversation with one of our current governors. All good schools require a strong governing body to hold myself and all our school leaders to account and we would very much value your contribution if that is at all possible.

Finally, if you feel you could support our school in any additional way then please do contact me directly at tom.maltby@holbrookacademy.org; again, I would really like to hear from you.

Thank you for your support,

Tom Maltby
Headteacher
