

If a child discloses any information to you?

- **React** calmly.
- **Listen** carefully to the child, particularly what is said spontaneously.
- **Do not promise confidentiality.** Explain to the child that you must pass on the information if you are worried about their safety.
- **Do not ask** leading questions or make judgements. Clarify and check your concern if you feel that you are not sure, by using, for example, "tell, explain, describe or outline" but as soon as you believe that there might be a genuine issue, ask no further questions. This would compromise further enquiries.
- **Reassure** the child that they are doing the right thing.
- **Record** carefully what the child says in their own words including how and when the account was given, date, time. Complete a Safeguarding Referral Form which is available from the Main Reception which will be passed to a member of the Designated Safeguarding Team. If you would prefer to speak to a member of the Designated Safeguarding Team, please ask a member of staff in the main office to arrange this. If you are unable to access the form please record and sign on paper.

If you feel that a child may be at risk of harm but are not sure, then inform one of the Designated Safeguarding Leads immediately. They will offer advice and take appropriate action.

If you are concerned about the safety of any child in our school, you must report this to one of the Designated Safeguarding Leads (DSL).

If you are concerned about the conduct of a member of staff or volunteer in the school, you must contact the Headteacher, Mr Tom Maltby -

Child abuse can happen to any child regardless of elements such as gender, culture, religion, social background, ability or disability.

Conduct

If you are concerned about the conduct of a member of staff, following an observation or disclosure, the following actions must be taken:

- Immediately inform the Headteacher
- In their absence, immediately inform a member of the Senior Leadership Team

Keeping Yourself Safe

- Be professional. Be careful how you interact with or speak to a child, the child may interpret it differently.
- Avoid physical contact with children unless you are preventing them from immediately harming themselves or others.
- Unless essential, avoid being on your own with a child, always ensure that a door is open and that you are visible to others.
- It's best not to do anything for a child that he or she can do for himself or herself.
- Always tell someone if a child touches you or speaks to you inappropriately. Log down the incident, time and date it and pass it on to a member of the Safeguarding Team.
- If you have concerns about the conduct of staff, it is your responsibility to inform the Headteacher.

Remember...if in doubt ... ask

No question or comment is silly!
