## STUDENTS ENTITLED TO FUNDED BUS TRAVEL

Students who are entitled and who have opted in to a School Travel/pass will receive information from County Transport and will receive travel passes before the end of the Summer holiday. Bus passes are allocated by County Transport, not by the Academy, and any transport queries should be directed to them. Telephone 0345 6066173, Passenger Transport, Constantine House, Russell Road, Ipswich, Suffolk, IP1 2BX.

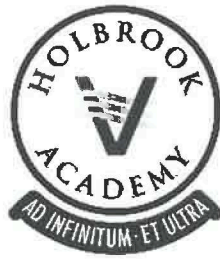

If your child receives school transport, their pass entitles them to travel on a specific bus only. Please note students must always carry their pass as regular checks will take place. If your child cannot produce their pass when asked to do so they may not be allowed to travel. Damaged and broken passes must be replaced, for which there is a charge. SuffolkonBoard.com also includes the Code of Conduct for students.

Incidents of damage to property or anti-social behaviour may result in children having their travel entitlement suspended by the operator, the County Council or at the discretion of the Headteacher.

Parents are advised to check on [www.suffolkonboard.com](http://www.suffolkonboard.com) for up-to-date timetables.

County Transport allocate the appropriate route from following services:

HK98	Harkstead, Shotley Gate
HK603	Chelmondiston, Woolverstone, Shotley
HK604	Shotley Gate
HK615	Chantry, Stoke, Wherstead, Tattingstone, Stutton

## IPSWICH BUSES PUBLIC BUS ROUTES

Ipswich Buses operate various public bus routes to the Academy:

Bus services:	HK92	Cattle Market, Wherstead Road, Holbrook
	HK98	Harkstead, Shotley Gate
	HK615	Chantry, Stoke, Wherstead, Tattingstone, Stutton
	HK616	Ravenswood, Stoke Bridge, Wherstead Road, The Strand

Some of these Ipswich routes are very busy. Staff supervise bus loading home so that services travel at maximum capacity and we do all that we can to ensure students get home safely using the services available. Responsibility rests with parents and carers to ensure safe and timely home-school-home travel.

**Please note this important information** - On occasion that a public bus is loaded to maximum capacity students who can travel on an alternative route will be required to do so. Students who travel to school in the morning on the 92 service will be expected to use the same service on their return. Students who use stops in Wherstead Road will be required to travel on either the 98 or the 92 homeward.

Ipswich Buses tickets are valid across all services and it will be your child's responsibility to let you know if they will be travelling on an alternative route.

Incidents of damage to property or anti-social behaviour may result in children having their right to travel suspended by the operator or at the discretion of the Headteacher.

Ipswich Buses reserve the right to cease operation if a service becomes financially unviable.

## Paying for your journey

**Ipswich Buses operate an exact fare policy on all of our bus services and our drivers cannot give you change.**

Paying for your journey on the bus is the most expensive way to travel and by paying for your travel in advance with the Ipswich Buses App could save you money.

On our buses we ask for the exact fare to be tendered to speed the loading of buses and minimise the handling of money, but with contactless payments now available on all our buses, you don't need to worry about finding the correct change! Besides single & return fares, there is a wide range of day, weekly, monthly and annual season tickets, please see above.

## Smart Card or M-Tickets

All smart card tickets can be purchased on the bus from your driver and will be added to your smart card. Smart cards are reusable and you can purchase your initial smart card from our Travel Shop in Tower Ramparts Bus Station for £3.00. Lost or stolen cards can be replaced for £3.00.

M-Tickets can be purchased on the Ipswich Buses app which can be downloaded for free at the Apple App Store or Google Play Store. After downloading your ticket it will expire after 1 hour. If needed the Academy will supply the wi-fi connection (accessible at 3.15pm) for you to be able to download your home ticket.

On the Ipswich Buses App you can also track your bus in real time, plan your journey and see how busy your bus is before you can travel. Purchasing your ticket on the app also means that if your phone is lost or stolen then we can cancel your ticket to stop it being misused and transfer it to your replacement device.
