

Dear Parent/Carer,

Your child will soon be given a username and password for something called Educake. Educake is an online homework and revision system for secondary schools. Students can use it on a PC, tablet or smartphone by going to www.educake.co.uk.

Teachers might set quizzes for homework or classwork in Educake. Quizzes can be retaken as many times as students want to improve their score. Every question is auto-marked, and students get instant feedback.

Educake makes revision easy and effective. Students can set themselves quizzes for more practice. They can see how they are doing on every topic and can identify areas to revise based on their progress.

If they're not sure where to start, the revision wizard shows them which topics they need to work on and creates personalised quizzes.

The next page of this letter will show you how Educake works. If you have any questions, you can always talk to your child's teacher about Educake, or you can email us at support@educake.co.uk.

Yours sincerely,

Anna Wallis

When you use Educake as a student, you see this page first:

When your teacher has set you a quiz, it'll be here. Click on it to take it. Your progress is always saved, so you can return to it later.

Find all of your quizzes in one place. Click on one to go over your results and see if your teachers have left you any feedback.

The screenshot shows the Educake student dashboard. At the top left is the Educake logo. At the top right, there is a 'Contact Us' button and a user profile for 'Lulu Bun Bean Markham School' with 'My account' and 'Log out' links. Below the header is a 'My Educake' section containing a 'Revision wizard >' button. The main content area is divided into two columns. The left column is titled 'Your Upcoming Quizzes' and contains a table with columns for Subject, Quiz name, Assigned by, and Due. The right column is titled 'Study and Quiz Yourself' and contains a table with columns for Subject and Percentage, with sub-headers for KS3 and GCSE. Arrows from callout boxes point to the 'View all your quizzes' button, the 'Revision wizard' button, and the 'Study and Quiz Yourself' table.
