

HOLBROOK ACADEMY

Headteacher: Claire Elliott BA(Hons) PGCE
Deputy Headteacher: George Anstee-Parry, M.Ed, NPQH

October 2024

Dear Parents and Carers,

Friends of Holbrook Committee

As part of our ongoing commitment to enhance the learning environment and strengthen our school community, I am pleased to announce the formation of a Friends of Holbrook (FoH) committee. This group will play a vital role in supporting the school through fundraising and community engagement, and we are excited to invite you to be a part of it.

The Friends of Holbrook committee will bring together parents, carers, staff and local community members to work collaboratively on initiatives that will directly benefit the school and our students. Our initial goal is to support a number of improvement projects to enhance the existing school environment, including:

- New curtains for the main hall
- A revamp of the main reception area
- Improvements to display and learning environments in classrooms and shared spaces
- The purchase of tools and equipment for community gardening and litter picking events

To make these projects a reality, we need your help. We are currently looking for enthusiastic members to join the committee, as well as someone to lead it. Whether you have experience with fundraising, organizational skills, or simply a passion for supporting the school, your involvement would make a significant difference.

We are eager to get started and are excited about the potential of this group to make a lasting impact on Holbrook Academy. If you are interested in joining the Friends of Holbrook or would like to learn more about how you can help, please contact Sarah Beazley by email – sarah.beazley@holbrookacademy.org. We will be hosting an initial meeting soon, where we can share ideas and plan our first activities.

Thank you for your continued support of Holbrook Academy. Together, we can create a more vibrant and inspiring environment for our students.

Yours sincerely,

George Anstee-Parry
Deputy Headteacher
