Access to School Site

A reminder that, for safety reasons, parents/carers should not be accessing the school site to drop off or pick up children at the start or end of the day, unless you have a Parking Permit.

At all times:-

- ◆ please follow the speed restrictions displayed along the driveway,
- ◆ please be respectful towards our staff,
- ◆ please consider the concealed entrance on the right just before the main gates, which is used by members of the local community.

If you use the roads around the Academy to drop off / pick up at the start or end of the school day, please be considerate to our neighbours and the local community.

Please do not park on grassed areas or block driveways and remember to turn off your engine whilst you are waiting.

To ensure the safety of students and members of the community, please also keep to all speed limits as young people will be using these roads to walk to and from school.

Thank you for your support.

Attendance Matters!

Every Student, Every School, Every Day

To support all families, we have put together a short presentation which we hope you will find helpful in continuing to support your child and our school with having excellent attendance.

Attendance Matters

School attendance does have a direct correlation to academic success, along with so many other aspects of your child's health and wellbeing.

As a school, we will endeavour to try and support you and your child with any attendance concerns that might arise. Please do not hesitate to get in touch with us via

attendance@holbrookacademy.org

Please follow the links for further information on the importance of school attendance:-
