We are also looking for help with the BBQ if you know of anyone with a Food Hygiene certificate who would be able to spare some time.

Thank you.

St Elizabeth Hospice 'Hop to it!' Suffolk 2025

We are now able to share a picture of the finished 'Hop to it!' Hare, designed by students at the Academy.

The EADT have a Suffolk Show and Hopscotch [Leverets School Supplement](#) with details of all the entries.

Six of the Leverets will be on display at the Suffolk Show - [vote now](#) to support Holbrook's entry (No. 4).

Thank you for all the support to date - our fundraising efforts continue over the coming weeks.

ECO Club

Please take a look at ['Stories for a Changing Planet'](#) - four tales for young people to stream and watch that explore the climate emergency.

We would like to thank Andrew from 'Trading Paynes' for dropping off two water tanks, one of which was donated and the other paid for from funds raised by the recent Eco Club cake sale. These tanks are being used for water harvesting in the LRC garden.

We would also like to thank Stephen Kippax, from Woodbridge, who donated paving slabs for the same project.

The following event would be useful to all students but particularly those looking for part-time work or apprenticeships.
