

July 2025

Dear Parent/Carer,

Please find attached our Academy-School Agreement. It has been printed on yellow paper and this is your copy to keep.

The separate sheet has already been signed by myself on behalf of the Academy and I would be grateful if you and your son/daughter could sign this copy and return it to the Academy as soon as possible. The Home Academy agreement will serve as a reminder of our shared responsibilities and a statement that we are working together to help the students achieve their potential.

You are not compelled to sign the document and no further action will be taken if copies are returned unsigned. However, the Governors, the Academy and the vast majority of parents would like to feel that there is full support from all parties for the aims, policies and the educational activities covered by this Agreement.

Yours sincerely

Claire Elliott
Headteacher
