

League Table Data Published

League table data for 2016 results has been produced and we are extremely proud to announce that we currently sit in the top 20% of schools nationally under the new performance measure, Progress 8, with a score of +0.25. This score puts us fourth in a list of 16 secondary schools in Ipswich and the surrounding area (10 mile radius).

The score of +0.25 means that, on average, each of our students over-achieved by a quarter of a grade based on comparisons with students of similar prior ability.

In addition to this, students achieved an attainment 8 score of 53.7, which puts the Academy in joint second place for Ipswich and the surrounding area, as well as an excellent score of 73% of students gaining a C or above in both English and maths. This is the second best score in schools in Ipswich and the surrounding area.

We are delighted with the progress made by our students and is further proof of our commitment to driving up standards and raising outcomes for all at Holbrook Academy.
