Dear Parent / Carer,

## KS4 Science Revision Guides and Exam Practice Workbooks

I am writing to draw your attention to the fact that the school is able to purchase the above guides and workbooks at the reduced price of £2.75 each.

These guides and workbooks would be extremely useful sources of reference to aid revision and understanding of the topics covered in Science from Year 9 to 11.

Each guide and revision workbook is subject specific, so there are there is one revision guide and workbook for each of Physics, Chemistry and Biology. This would, therefore, be six books plus the additional opportunity to purchase separate answer booklets for £1 each. You may order all the books or combinations as you wish.

Please complete the form below and return with payment (cheque payable to Holbrook Academy) before the end of this term.

Yours sincerely,

Mr A Blay  
Science Department
