Dear Parent / Carer,

## KS3 Science Study Guide

I am writing to draw your attention to the fact that the school is able to purchase the above Science Study Guide at the reduced price of £2.50.

This guide would be an extremely useful source of reference to aid revision and understanding of the topics covered in Science from Year 7 to 9. The KS3 curriculum prepares students for KS4, when the same topics are covered for GCSEs.

If you would like to order a copy, please complete the form below and return with payment of £2.50 (cheque payable to Holbrook Academy) before the end of this term.

Yours sincerely

M A Blay
