Dear Parent/Carer,

## **Survey of the Transition Process into Year 7**

As part of the process of refining and improving the transition from primary to secondary phases of our education system, I would be grateful if you could please complete a brief questionnaire by following the link shown below:-

Your views are incredibly important to us and will help us develop new initiatives between the peninsula partnership schools.

Your views are anonymous and will only be viewed as a broader analysis of the trends identified by myself and other senior staff.

Yours sincerely,

Frank Anstee-Parry  
Senior Teacher for Partnership and Transition
