

Headteacher : Dr Simon Letman BA, MA, EdD
Deputy Head : Nicola Shelley

2nd May 2017

Dear Parent / Carer,

Careers STEM Evening – 23rd May 2017

If your child is interested in STEM (Science, Technology, Engineering and Maths) then please come along to our Careers STEM event on Tuesday 23rd May 2017 from 6.30pm to 8.30pm in the Community Room.

Representatives from the following companies and Post 16 providers will be in attendance, some with hands-on equipment for you to try, and to give advice on careers in STEM:-

- Ransomes Jacobsen Ltd
- Suffolk New College
- Otley College
- Independent STEM Ambassadors and more

University Campus Suffolk (UCS) will also be in attendance with their wonderful 3D printer and VR experience, which is an amazing STEM technology. There will also be an ambassador who works with a range of resources which are derived from the Engineering Council data.

The event also covers how to get started in engineering and technology careers, starting with GCSE option choices.

If you and your child are interested in attending this STEM evening, please complete and return the reply slip by Monday 15th May.

Yours sincerely,

Mrs D Tinker
Curriculum & Progression Co-ordinator

Careers STEM Evening – 23rd May 2017

Name of Student: Form:

My child is interested in attending this event and will be accompanied by family members

Signed: Parent / Carer
