Dear Parent/Carer,

Life Skills / PSHEE

We are writing to advise you that during Life Skills / PSHEE lessons, your child will be studying the topic of 'Terrorism', predominantly focusing on the events of '9/11'.

As you can appreciate, the content and context is not only emotional but also highly sensitive. As you are probably aware, there are numerous, educational, factual documentaries regarding this topic. The documentary we will be showing to students is about the New York Fire Department by Jules and Gideon Naudet. At the time of '9/11' they were already working on a documentary about a rookie firefighter in New York. The Naudet brothers followed the firefighters into the Twin Towers, with cameras rolling, and captured the only footage from inside the Towers as the incident unfolded.

This '9/11' documentary is an unforgettable, powerful visual document and a stirring tribute to the real life heroes of the New York Fire Department.

In light of the content of the documentary, we are asking Parents/Carers to confirm they are happy for their child to watch this. I should, therefore, be grateful if you would please complete and return the permission slip to me by Friday 22nd September.

If you have any queries, please do not hesitate to contact me.

Yours sincerely,

Mr M Le Marrec
