

HOLBROOK ACADEMY

Headteacher : Dr Simon Letman BA, MA, EdD
Deputy Head : Nicola Shelley

12th October 2017

Dear Parent/Carer,

Holbrook Academy has been identified as an important partner in a new, DfE-funded collaborative outreach project (the Network for East Anglian Collaborative Outreach – neaco) involving universities and FE Colleges across East Anglia. Involvement in the Take Your Place programme will enable students to explore their options and empower them to reach their full potential.

Designed for students in years 9 – 13, the programme will enable students to gain a better understanding of what options are available to them after GCSE.

Being part of this project has enabled us to have our own Higher Education champion, Jackie Partridge, who will be working with students in years 9-11 throughout the year. Part of her role is to provide aspirational raising interventions for students whilst also raising awareness of Higher Education and Degree apprenticeships amongst parents and students.

As part of the project, we would like to offer you and your child the opportunity to book a slot to speak to Jackie and gain valuable information about Higher Education and Degree apprenticeships, something we feel is really important for your child's future.

The event will take place on Monday 20th November from 4-8.30pm in the LRC, each slot will be 20 minutes long, but Jackie will be walking around throughout the evening if you have any questions for her.

Please complete the reply slip and return to me by Friday 10th November to book your slot. If we have a high intake of bookings, we will change this to small group talks throughout the evening at arranged times.

This event is very much a relaxed evening allowing you to have an informal chat with Jackie. An event not to be missed and light refreshments will be available.

Yours sincerely,

takeyourplace.ac.uk
