

HOLBROOK ACADEMY

Headteacher : Dr Simon Letman BA, MA, EdD

Deputy Head : Nicola Shelley

11th January 2018

Dear Parents/Carers,

Year 9 Science

The Year 9 students are coming close to the end of the Key Stage 3 science curriculum and after the February half term break will start their GCSE courses in science.

There will be an end of Key Stage 3 science assessment which will help staff to determine the science classes for after half term and also which students are most suitable for the separate science course. It is important that students revise thoroughly for this assessment.

If your son/daughter would like to be considered for the separate science GCSE course, please complete the reply slip below and return it to me before Monday 5th February.

This does not mean that your son/daughter definitely has a place in this class as staff will look at the end of Key Stage 3 assessment scores, previous test scores and general effort in science lessons when making any decisions.

Thank you for your ongoing support with your son/daughter in science.

If you have any queries, please do not hesitate to contact me.

Yours sincerely,

Mr C Moore
Head of Science

Year 9 Science

Name of Student: Form:

I confirm my son/daughter would like to be considered for the separate science GCSE course starting after the February half-term.

Signed: Parent / Carer

Please return completed reply slip to Mr Moore by Monday 5th February.
