

Headteacher : Dr Simon Letman BA, MA, EdD
Deputy Head : Nicola Shelley

6th February 2018

Dear Parent / Carer,

Geography Revision Guide

The Geography department is delighted to be able to offer students the opportunity to purchase copies of the *GCSE Geography pocket-sized revision guide* published by Daydream Education at a discounted price of £3.00 (RRP £3.99).

This guide contains notes on all of the key topics as well as facts and figures for each detailed case study and example. It will be used by Year 11 students for essential revision information and by Year 10 students to supplement their class notes and consolidate their case study knowledge. The new 1–9 Geography examination course is entirely based on examinations and the standards expected of students are much more rigorous than in previous years. Therefore, the Geography department highly recommend that students use these guides at home to supplement their learning in school.

Each revision guide also comes with a unique code which allows pupils to access a free digital version for use on computers (PC and Mac), tablets and smartphones.

To order a copy, please complete the reply slip (cheques payable to Holbrook Academy) and return to the school by Friday 9th February 2018.

Yours sincerely,

Miss M Cook
Geography Department
